

I don't understand what your agency really does or that what it does matters much anyway. However if it up to you to decide the business of my state of NJ and our very effective DO NOT CALL policy then please hear me. DO NOT CHANGE THIS. I was inundated with unsolicited calls every day. Sometimes 20 or more. I do not want this to happen to me again. Our system of DO NOT CALL works. Keep it that way.

Keep NJ clear of unsolicited phone calls.
